Student Registration for Career Exploration & Experience Days Now Open

Start exploring or applying to job opportunities today with the companies signed up for our Carolina Career Exploration & Experience Days on February 16-17th! Tar Heel students can rest assured that there is no penalty to their applications based on their chosen form of engagement. At University Career Services, we’ve got students covered!! UCS-facilitated recruitment events offer 4 Ways to Connect:

- **Connect by 1:1 or group sessions scheduling on Handshake Virtual Fairs** with recruiters available to discuss their organizations, workplace, or job postings: whether you are job seeking or just want to expand your network for future opportunities at the on-campus event you’re at.

- **Connect by virtual chatting on Handshake** with recruiters available to discuss job postings that interest you: all recruiters will be obliged to set up Handshake’s 15-minute virtual chats scheduling tool on each job posting 4-weeks prior to the fair (or have a recruiter’s contact info available on their Handshake company page who can schedule a 15-minute virtual chat outside of Handshake).

- **Connect by direct messaging on Handshake** with recruiters managing job postings that interest you: all recruiters will be obliged to set up Handshake’s messaging tool on each job posting 4-weeks prior to the fair and afterward until the postings close (or have a recruiter’s contact info available on their Handshake company page).

- **Connect by applying directly on Handshake** to the job postings from the attending companies: all jobs that companies discuss at the fair will be posted on Handshake 4-weeks prior to the fair and afterward until the postings close.

Just log in to Handshake with your onyen, register for the events, and connect with employers.
