Not sure what to major in, or unsure of how your major will affect your career choices? Afraid you’ll pick the wrong major and miss out on something better? Want to connect your interests to your major as you start on your path from academics to a career? Come to this workshop to learn how majors affect career paths, identify ways to actively explore your interests, and leave with resources and next steps to help you engage in meaning-finding experiences while you’re at UNC.

Next steps post-workshop:

? Identify resource(s) from the UCS website that will help you dive deeper into connecting interests.

? Begin the major and/or career interest search with help from our UCS website or
through a scheduled appointment.

After this workshop, you will?

1. Be able to articulate your skills and strengths (Career Management, NACE Career Readiness Competency).

2. Recognize and reflect on the role of one’s own values, feelings, interests, abilities, and multiple facets of identity in shaping one’s thoughts and actions (Self-Awareness, Carolina Excellence Competency).

Wondering how your major might impact your career options? Gaining awareness of how majors can impact career paths is a crucial aspect of career decision making! Come learn from UNC alumni across a variety of majors! Alumni panelists will share how they picked their majors impacted their respective career paths. You'll find that in some cases, majors directly align with what professionals are doing now, and in other instances, not so much. Learn tips about how you can make the most of your time at Carolina, and regardless of what your major is, so that you will have a solid launch pad to enter into a variety of career fields!

After this workshop you will be able to:
1. Recognize and reflect on the role of one’s own values, feelings, interests, abilities and multiple facets of identity in shaping one’s thoughts and actions
(Carolina Excellence Competency on Self Awareness, and NACE Career Readiness Competency on Career Management).

2. See how opportunities outside of the classroom can drive career success (Carolina Excellence competency in Public Service and Creativity).

3. Identify ways to network with alumni in order to learn more about various career paths (Carolina Excellence Competencies on Interpersonal Development and Communication and NACE Career Readiness Competency on Career Management)
