Upcoming Events

- **1 Feb**
  - **Connecting Interests to Majors and Career Paths** [1]
    
    2022
    10:30 AM - 11:30 AM
    Location: Zoom
    Type of Event: Workshop

    Wondering how your major might impact your career options? Curious how you can major in what you love and build experiences that give you access to a variety of professions? Gaining awareness of how majors can impact career paths is a crucial aspect of career decision-making! Come learn from professionals across a variety of majors! Panelists will share how they picked their majors and how that impacted their respective career paths. (Carolina Excellence Competency on Self Awareness, and NACE Career Readiness Competency on Career Management).

    2. See how opportunities outside of the classroom can drive career success (Carolina Excellence competency in Public Service and Creativity).

    3. Identify ways to network with alumni in order to learn more about various career paths (Carolina Excellence Competencies on Interpersonal Development and Communication and NACE Career Readiness Competency on Career Management).

University of Virginia MS in Data Science (MSDS) Information Session at UNC [6]

2022
7:00 PM 8:30 PM
Location:
3411 Student Union
Type of Event:
Information Session

Data science is one of the fastest-growing career paths today, according to LinkedIn and Glassdoor. The School of Data Science?UVA’s 12th and newest school?offers an M.S. in Data Science that will teach you open, responsible data science with immediate applications toward launching a great career. Choose between a full-time residential or part-time online format and learn essential skills that will position you as a leader in the field. Three reasons why you should consider UVA’s M.S. in Data Science: 1. Earn your master’s in one of the hottest fields and at the first data science school of its kind on the nation. 2. Add immediate value to your career by learning alongside industry experts through a hands-on capstone research project. 3. Leverage a supportive alumni and corporate network of data science professionals while learning from faculty at the top of their field. Want to learn more? Assistant Director of Graduate Admissions,
Bryan Christ, will be hosting an information session with free dinner at the Student Union on 2/1 from 7:00-8:30 PM. Bryan will also host follow-up drop-in advising hours for the MSDS program on 2/2 from 1:00-3:00 PM at the Meantime.

**Dean Dorton Information Table at UNC** [10]

2022
10:30 AM 4:00 PM
Location:
McColl Building, 3rd Floor Lobby (Employer in the Foyer)
Type of Event:
Information Session, Employer On-Site

Located in both Kentucky and North Carolina, Dean Dorton is one of the largest certified public accounting and professional business advisory firms in the Southeast. Our client service professionals provide audit, accounting, tax, healthcare consulting, litigation support, business valuation, technology consulting services and many others to clients throughout the region, the United States, and internationally.

Each summer we host a summer leadership workshop titled IGNITE. Over the course of two days, attendees learn about the firm, connect with team members from Intern to Partner, and participate in case studies developed by our service groups.

Interested students can apply on Handshake or directly at deandorton.com/careers.

**Carolina Career Exploration and Experience Day (STEM Majors) [19]**

2022
1:00 PM - 4:00 PM
Location:
Handshake Virtual Career Fair Platform
Type of Event:
Career Fair

This event brings together employers who want to help students from STEM-related majors (Science, Technology, Engineering, and Math) explore various career pathways in their industries and answer questions about what they can do with their majors and career interests. Additionally, for students who are seeking Summer Internships and Full-Time Jobs roles, these companies also are available to talk about their current openings and how you can apply.

This event is open to all [UNC undergrad][20] and [graduate majors][21] (except
MBA, Law, Medical, and Dental), but is targeted for STEM-related majors that include: Astronomy, Biology, Chemistry, Computer Science, Library and Information Sciences, Engineering, Earth Sciences, Economics, Exercise & Sports Science, Finance, Health Sciences, Information Technology, Mathematics, Physics, Operations Research, Statistics and Analytics, and more!

Four Ways to Connect

We recognize that students have multiple competing priorities for their time on-campus (and off-campus) that don’t always allow for participating in recruitment activities hosted by University Career Services. Our goal is to foster events that meet students where they are. To that end, we are promoting four modalities that allow students to choose what works best for initial engagement with recruiters. We have also spoken with recruiters to ensure they take measures not to privilege one modality over another. So that students can rest assured that there is no penalty to their applications based on their chosen form of engagement. At University Career Services, we’ve got students covered!!

- **Connect by 1:1 or group sessions scheduling on Handshake Virtual Fairs with recruiters available to discuss their organizations, workplace, or job postings:** whether you are job seeking or just want to expand your network for future opportunities at the on-campus event you’re at.

- **Connect by virtual chatting on Handshake with recruiters available to discuss job postings that interest you:** all recruiters will be obliged to set up Handshake’s 15-minute virtual chats scheduling tool on each job posting 4-weeks prior to the fair (or have a recruiter’s contact info available on their Handshake company page who can schedule a 15-minute virtual chat outside of Handshake).

- **Connect by direct messaging on Handshake with recruiters managing job postings that interest you:** all recruiters will be obliged to set up Handshake’s messaging tool on each job posting 4-weeks prior to the fair and afterward until the postings close (or have a recruiter’s contact info available on their Handshake company page).

- **Connect by applying directly on Handshake to the job postings from the attending companies:** all jobs that companies discuss at the fair will be posted on Handshake 4-weeks prior to the fair and afterward until the postings close.

**Location and Handshake Login Instructions**
All students served by UCS have existing Handshake accounts that were created for them upon enrolling in UNC Chapel Hill. **To access your Handshake account, login here with your ONYEN.** Please do not attempt to create a new account.

**Registration**

? Click here to register. Students will be able to register on January 24th but they’ll be able to start exploring the companies as early as January 18th.

- 17 Feb
