

Female Identifying Populations

National Resources

[Feminist Majority Foundation](#) [1] - The Feminist Majority Foundation is a cutting edge organization dedicated to women's equality. This site contains a Career Center which list national and international jobs and internships.

[America Business Women's Association](#) [2] - A resource for working women and businesswomen to support, motivate, and provide networking with other women. The ABWA has over 450 chapters including 5 in NC. The site includes a Career Connection job listing link.

[Association of Women In Science](#) [3] - The largest multi-disciplinary organization for women in science, technology, engineering, and mathematics (STEM) dedicated to achieving equity and full participation of women in all disciplines and across all employment sectors. AWIS offers training, support and advocacy to women at all stages of their career. Their site includes extensive STEM job and fellowship listings.

[The Association For Women In Communications](#) [4] - One of the nation's oldest professional women's associations, founded in 1906. AWC promotes the advancement of women in all fields of communications, to work for First Amendment rights and responsibilities of communicators, to recognize distinguished professional achievements, and to promote high professional standards throughout the communications field. This site's job board contains a wide range of job and internship opportunities

[9TO5 National Association of Working Women](#) [5] - One of the largest, most respected national membership organizations of working women in the U.S., dedicated to putting working women's issues on the public agenda. Advocates for equal protection for women in the workplace. Offers national and regional internships.

North Carolina Resources

[Compass Women's Center of Chapel Hill](#) [6] - Located just a few blocks from campus the Compass Center provides a wide range of support to women in Chapel Hill area

including programs for people experiencing domestic violence, financial distress, career change and legal problems as well as programming to encourage self-empowerment for adolescent girls. The center often has volunteer and internship opportunities

[NC Women United](#) [7] - A coalition of progressive organizations and individuals working to achieve the full political, social, and economic equality of all women across North Carolina. NCWU works to build women's power through grassroots activism, community organizing, legislative advocacy, and engagement in the political process. Volunteer and advocacy opportunities.
