

Request a Virtual Workshop

University Career Services partners with faculty, staff, and student organizations to present on a variety of career planning topics. Should you be interested in having a career coach facilitate a virtual workshop or other tailored programming to students in Fall 2021, please complete the [UCS Virtual Workshop Request Form](#). [1]

All virtual workshop requests are pending approval of program manager. Please expect to hear from a UCS representative within 2 business days after your submitted request. Contact Stephenie McIntyre, stephenie.mcintyre@unc.edu [2] with any additional questions regarding potential virtual engagement opportunities.

Note: To receive services, students must be receiving a degree from UNC-Chapel Hill and must not be in the MBA, Law, Medical, or Dental programs, which are served by separate career offices.
