

CliftonStrengths Assessment

This assessment assists individuals in discovering what they naturally do best and how to develop their greatest talents. Completion of this assessment will provide you with improved self-awareness, which will also help you to identify and explore potential careers and experiences that will bring out the best in you.

To take this assessment, you must schedule an appointment to go over the results with a UCS counselor.

Please note: codes cannot be requested for use with other UNC career professionals or staff members. Only students meeting with UCS staff members may access these codes.

Learn more about the CliftonStrengths assessment [here](#) [1] and then [request a code from UCS](#) [2].
