The Summer Internship Grant provides funding for rising seniors pursuing summer opportunities that advance their career or academic interests.

The Office of Scholarships & Student Aid offers competitive grant funding to help students cover the expense of travel, housing, and meals during an internship lasting at least four weeks. Seniors, students with graduation dates of August 2019, December 2019, or May 2020, who receive need-based financial aid are eligible to apply. Grants range from a few hundred dollars to a few thousand, depending on a student’s need and proposed budget.

This competitive grant is meant to help meet basic living expenses. Students are responsible for finding an internship and covering expenses beyond the value of the grant.

Application for 2019 Summer Internship Grant available here [1] and are due by Friday, April 12, 2019 at 5:00 pm.
