Vault provides guidebooks about industries and careers, as well as specialized job search preparation. Get inside information on jobs and organizations by visiting Vault.com.

UCS subscribes to this valuable resource to help students find objective information that you won’t see on an organization’s website! Want to know what it’s really like working for IBM or how to get your foot in the door at MTV? It’s all on Vault!

**Step 1** - Login via the campus portal.

**Step 2** - Click on Vault’s access link.

**Step 3** - Wait a few seconds and you will be directed into the resource, without the need to create an account.

**Step 4** - Enjoy unlimited access to our rankings, reviews and trusted guidebooks.
