Career, Graduate Education, and Networking Events

THIS PAGE IS FOR EMPLOYERS, GRADUATE AND PROFESSIONAL SCHOOLS ONLY.

UCS offers several career events throughout the year to help you connect with our students through our On-Campus Recruitment (OCR) strategies. Additionally, we support organizations through Non-OCR strategies and initiatives designed to put them in front of students (Mock Interviews, Job Shadows, Career Treks, Snack & Learns, Panels, etc.). Please see our UCS Employer Engagement Brochure [1] to learn about the various ways your organization can get involved with University Career Services and/or Department-Based Career Offices [2]. Contact the External Relations Team at ucs@unc.edu [3] if you have any questions about our OCR and Non-OCR objectives and plans.

**Note:** Spring 2022 in-person UCS employer engagement events will be designed to maximize student connections, networking, and recruitment. Complete this survey [4] to express your interest in participating.

Contact Tessa Minnich at tessaminnich@unc.edu [5] if you have questions about registering for the fairs below.

Contact Roderick Lewis at roderick.lewis@unc.edu [6] if you have questions about determining which fairs below are right for your organization.

**Student Engagement Opportunities for your Organization**

Each semester, the UCS External Relations Team [7] has opportunities for professionals to co-participate in activities with students in various Career Development Initiatives led by our Career Instructors. There are typically over 20 activities each semester that are hosted virtually (or in-person) that provide the following benefits:

- Promote your organization’s employer (or program) brand in a non-recruitment channel.
• Support the career development of students seeking internships, full-time jobs, entrepreneurship, and graduate school.
• Increase your network with students by providing your contact/LinkedIn info.
• Establish, grow, and/or maintain your organization top-of-mind with students, staff, and faculty.

Volunteer Employer Engagement Survey [8]

FAQ:

Carolina Career Exploration and Experience Day (STEM Majors) - February 16th 2022, 1:00 pm - 5:00 pm at Great Hall, Student Union

This event brings together employers who want to help students from STEM-related majors (Science, Technology, Engineering, and Math) explore various career pathways in their industries and answer questions about what they can do with their majors and career interests. Additionally, for students who are seeking Summer Internships and Full-Time Jobs roles, these companies also are available to talk about their current openings and how you can apply.

This event is open to all UNC undergrad [9] and graduate majors [10] (except MBA, Law, Medical, and Dental), but is targeted for STEM [11]-related majors that include: Astronomy, Biology, Chemistry, Computer Science, Library and Information Sciences, Engineering, Earth Sciences, Economics, Exercise & Sports Science, Finance, Health Sciences, Information Technology, Mathematics, Physics, Operations Research, Statistics and Analytics, and more! [9]

Four Ways to Connect (Organizations)

We recognize that students have multiple competing priorities for their time on-campus (and off-campus) that don’t always allow for participation in recruitment activities hosted by University Career Services. Our goal is to foster events that meet students where they are. To that end, we are promoting four modalities that allow students to choose what works best for initial engagement with recruiters. We ask that our recruiters strive to take measures to not intentionally privilege one modality over another. Students need reassurance that there is no penalty to their applications or candidacy based on their chosen form of initial engagement.

Employers participating in on-campus recruitment events will have to commit to our four student connection modalities:
• Connect face-to-face with students desiring to meet you in-person: whether they are job seeking or just want to expand their network for future opportunities at the on-campus event you’re at.

• Connect virtually on Handshake with students desiring to discuss job postings of interest: all recruiters will be obliged to setup Handshake’s 15-minute virtual chats scheduling tool [12] on each job posting 4-weeks prior to their on-campus event (or have a recruiter’s contact info available on their Handshake company page who can schedule a 15-minute virtual chat outside of Handshake).

• Connect by direct messaging on Handshake with students desiring to discuss job postings of interest: all recruiters will be obliged to setup Handshake’s messaging tool [13] on each job posting 4-week prior to their on-campus event (or have a recruiter’s contact info available on their Handshake company page).

• Connect by students applying directly on Handshake to job postings from your organization: all jobs that organizations have available for students will be posted on Handshake [14] 4-weeks prior to their on-campus event.

Please contact lead External Relations Consultant, Roderick Lewis at roderick.lewis@unc.edu [6] to discuss if this event is right for you.

Benefits of the Carolina Career Exploration and Experience Day (STEM Majors)

• Connect face-to-face with a competitive talent pool of students representing various majors to bring a diversity of thought to your organization.

• Integrate your organization into students’ career planning process before campus recruiting application deadlines.

• Brand your organization as an employer of choice and build a diverse talent pipeline.

• Promote your full-time and summer internship opportunities to students studying STEM-related majors that bring technical, problem solving, data analysis, and decision-making skills.

• Get face-to-face interaction with students around campus in the heavily foot-trafficked Student Union and Pit area.

Location

• Great Hall, Student Union.

Registration Deadline:

• Friday, January 14th at 5:00 P.M.

*Registration will be reviewed by our team and your status will be approved based upon an internal review. Questions? Please email Tessa Minnich at tessaminnich@unc.edu [5]
Additional Information

- Registration includes 2 representatives. No additional reps are allowed?thank you for your compliance.
- Electricity is NOT an option at this event. Please plan accordingly.
- Materials Shipping, Accommodations, and Parking details will be sent upon confirmation.

**Four Ways to Connect (Organizations)**

We recognize that students have multiple competing priorities for their time on-campus
(and off-campus) that don’t always allow for participation in recruitment activities hosted by University Career Services. Our goal is to foster events that meet students where they are. To that end, we are promoting four modalities that allow students to choose what works best for initial engagement with recruiters. We ask that our recruiters strive to take measures to not intentionally privilege one modality over another. Students need reassurance that there is no penalty to their applications or candidacy based on their chosen form of initial engagement.

Graduate Programs participating in on-campus fairs will have to commit to our four student connection modalities:

- **Connect face-to-face with students desiring to meet you in-person:** whether they are job seeking or just want to expand their network for future opportunities at the on-campus event you’re at.
- **Connect virtually on Handshake with recruiters available to discuss graduate school applications that interest you:** all recruiters will be obliged to setup Handshake’s 15-minute virtual chats scheduling tool [12] on each job posting 4-weeks prior to their on-campus event (or have a recruiter’s contact info available on their Handshake company page who can schedule a 15-minute virtual chat outside of Handshake).
- **Connect by direct messaging on Handshake with recruiters managing graduate school applications that interest you:** all recruiters will be obliged to setup Handshake’s messaging tool [13] on each job posting 4-week prior to their on-campus event (or have a recruiter’s contact info available on their Handshake company page).
- **Connect by applying directly on Handshake to the graduate school from the attending schools:** all grad school applications that schools discuss at the fair will be posted on Handshake [14] 4-weeks (if applicable) prior to their on-campus event.

Please contact lead External Relations Consultant, Roderick Lewis at roderick.lewis@unc.edu to discuss if this fair is right for you.

**Benefits of the Health Schools Info Fair**

- Connect face-to-face with a competitive talent pool of students representing various majors to bring a diversity of thought to your organization.
- Integrate your organization into students’ career planning process before campus recruiting application deadlines.
- Brand your organization as an employer of choice and build a diverse talent pipeline.
- Promote your school and graduate programs to students studying in Humanities, Social Sciences, STEM, and Interdisciplinary majors that bring creative design,
communication, critical evaluation, persuasion, and problem-solving skills.
- Get face-to-face interaction with students around campus in the heavily foot-trafficked Student Union and Pit area.

**Location**
- Great Hall, Student Union.

**Registration Fees**
- $200 ? Non-UNC Chapel Hill Health Schools/Programs
- $100 ? UNC-Chapel Hill Health Schools/Programs

**Registration Deadline:**
- Friday, February 18\textsuperscript{th} at 5:00 P.M.

**Payment Deadline:**
- Friday, February 25\textsuperscript{th} at 12:00 P.M.

*Registration and payment will be reviewed by our team. When payment is successful you will receive a receipt through Handshake and your status will be approved. We strongly suggest employers complete and add their schedule before the registration deadline. **Checks are no longer accepted unless they can be delivered the same day.** Questions? Please email Tessa Minnich at tessaminnich@unc.edu.*

**Additional Information**
- The registration fee includes 2 representatives. No additional reps are allowed ? thank you for your compliance.
- Electricity is NOT an option at this event. Please plan accordingly.
- Materials Shipping, Accommodations, and Parking details will be sent upon confirmation.

**Mid-Semester Last Minute Job Fair (All Majors) - March 24th 2022, 1:00 pm - 5:00 pm at Great Hall, Student Union**
This fair brings together employers who are seeking to fill Summer Internship and Full-Time Job roles with students from ALL MAJORS including Humanities [16], Social Sciences [17], and STEM [11] majors. This is an opportunity for recruiters who have "last minute" hiring needs to connect with students who are still conducting their search for a Summer Internship or Full-Time Job.

This event is open to all UNC undergrad [9] and graduate majors [10] (except MBA, Law, Medical, and Dental) which include: Business, Communications, Economics, English, History, Political Science, Public Policy, Military Science, Sociology, Anthropology, Philosophy, Women's Gender and Sexuality Studies, African American Studies, Romance Languages, Astronomy, Biology, Chemistry, Computer Science, Library and Information Sciences, Engineering, Earth Sciences, Health Sciences, Information Technology, Mathematics, Physics, Finance, Operations, Entrepreneurship, Marketing & Sales, Real Estate, and more! [9]
