**Diversity Job Fair [1]**

2020
12:00 PM 4:00 PM
Location:
Ram's Head Recreation Center

The Diversity Job Fair is designed for employers who have diversity recruitment initiatives targeting underrepresented/underserved student populations that are also underrepresented in their organizations. That means we'll be heavily promoting this fair to students who identify with a range of diversity demographics such as Racial/Ethnic minorities, First Generation Students, Low Income, LGBTQ, Veterans, Transfer Students, Differently abled students, International Students, etc. Even though students identifying as diverse are the primary target, the Diversity Job Fair is still open to any UNC Chapel Hill student who wishes to attend.

**Who:**

Registration will be open to all employers seeking to recruit for jobs and internships, who wish to create and sustain diverse workforce environments. This event is open to all UNC-CH students.

**Cost:**

$700-For-profit; $350-Non-profit; $1200-Third Party (staffing agencies) Extra Reps.: $40 (Fees include registration for 2 representatives, one parking space per organization, booth space with table cloth, lunch at the Ram's Head Dining Hall, WiFi access, and pre-event advertising)

**Electricity is NOT an option at this event.** Please plan accordingly.

Maximum Reps: 5, due to space constraints. Thank you for your compliance.

**Spring Job & Internship Fair** [3]

2020
12:00 PM - 4:00 PM
Location:
Ram's Head Recreation Center

The Spring Job & Internship Expo is open to all UNC Chapel Hill students as well. The difference being that there isn't a special outreach to underrepresented/underserved students, nor a special outreach to employers seeking diverse student talent. Some companies may wish to attend both Job Fairs because they might have targeted diversity recruitment initiatives as well as general recruitment initiatives. Other companies may only attend one or the other depending on their workforce makeup and relative access to talent, as well as their ability to attract, hire, and retain the level of workforce diversity that they have defined.

**Who:**

Registration will be open to all employers seeking to recruit for jobs and internships. This event is open to all UNC-CH students.
