Employers participating in on-campus recruitment events will have to commit to our four student connection modalities: 1) Face-to-Face at the event, 2) 15-minute Virtual Chat Tool on Handshake Job Postings, [5] 3) Direct Messaging Tool on Handshake Job Postings, [6] and 4) Applications to Handshake Job Postings.

UCS promotes the following opportunities to employers that offer local, national, and international in-person job opportunities. or virtual. Employers wanting to integrate virtual jobs still have the option to post them on Handshake.

In addition to OCR opportunities, University Career Services (UCS) also offers **non-OCR opportunities** designed to involve your company in our student career development initiatives which are excellent for growing your company’s brand and visibility on-campus. Non-OCR activities are not recruitment-oriented. However, **they indirectly provide the following benefits:**

- Increased awareness of employer brand and recruitment opportunities from students, staff, and faculty
- Potential for students to refer your company to friends in their personal network
- Expanded network with students holding favorable views of your company, its products, and its services
- Potential interest and applications from students who did not previously consider your company
