NC Tower

NC Tower provides graphs and tables on in-depth information on employment rates, wages, and ongoing higher education enrollment of graduates from the North Carolina Community College System and from the University of North Carolina system schools. NC Tower includes data on former UNC students who are working in roughly 90% of all jobs in North Carolina.

Note: The database EXCLUDES information for graduates who:

- are self-employed
- work for the federal government including the military, or
- work outside of North Carolina
