SECTION 1: GENERAL INFORMATION

University Career Services (UCS) is pleased that you are interested in recruiting and hiring students from The University of North Carolina at Chapel Hill (UNC-Chapel Hill or University). UCS offers many services to help you identify the right candidates for your openings. UCS provides services for undergraduate and graduate students. Separate career offices are maintained for students in MBA, Master of Accounting, Law, Medical, and Dental programs. UNC-Chapel Hill operates on the semester system, and students graduate in May, December, and August.

This document summarizes UCS employer recruiting policies and procedures. Failure to abide by these guidelines may result in loss of recruiting privileges through UCS and on the UNC-Chapel Hill campus. UCS offers assistance to employers and individuals in accordance with the Principles of Professional Conduct for Career Services Professionals outlined by the National Association of Colleges and Employers (NACE). Final approval to use UCS’ facilities and services rests with the Director of UCS and may be revoked if these policies or the NACE Principles are violated. The permission to use UNC-Chapel Hill’s facilities does not imply University approval or endorsement of the recruiting organization/individual or its policies, practices, or products/services.

SECTION 2: GENERAL EMPLOYER ELIGIBILITY

In order to remain eligible for all UCS employer programs and services, all employers must abide by the general policies listed below. In addition, specific services may have additional requirements which will be provided in the section of this document that outlines that service.

- Employers must refrain from using alcohol in recruiting activities.
- Employers must be familiar with and abide by all applicable UNC-Chapel Hill Campus Policies and Procedures. In particular, the Policy on Use of University Facilities for Noncommercial and Commercial Purposes applies to employers and their activities on campus.
- Employers must abide by the Principles of Professional Conduct for Career Services Professionals outlined by the National Association of College and Employers (NACE).
- Employers must abide by the Department of Justice’s Immigration and Nationality Act, which prohibits citizenship status and national origin discrimination with respect to hiring, termination, and recruiting or referring for a fee. 8 U.S.C. § 1324b (a) (1) (B).
- Employers must abide by federal and North Carolina Equal Employment Opportunity (EEO) guidelines.
- Any tests administered on campus must be validated by the Equal Employment Opportunity Commission.
- Employment offers must be good-faith positions that require no further conditions (i.e., passing an examination at the end of a brief training period) other than continued satisfactory performance of duties and responsibilities contained in the job description.
- Employers must provide valid contact information including an organizational email account. Employers using personal (YAHOO, GMAIL, HOTMAIL, etc.) email accounts will not be authorized to use UCS services.
- Employers must provide valid website address. If no web address is provided UCS will not approve the account. If you do not have a website, employers must receive permission from the UCS Associate Director for Employer Relations to leave this field blank.
- Positions may not be multi-level or pyramid marketing opportunities.
- Positions may not be for domestic employment (i.e. babysitting, gardening, driving, and house cleaning).
- Employment offers must not be contingent upon candidates paying fees related to confirming employment.
- Organizations promoting opportunities for students to become independent contractors or to start their own businesses are ineligible to participate in UCS services.
- UCS may require employers to verify compensation (salary or hourly wages) to determine if vacancies are appropriately classified in Handshake and qualify for specific UCS services.
- Employers must fully disclose to UCS and students/alums the structure of their compensation packages and business costs incurred through employment.
- Employers must not solicit or sell their products or services during the course of recruiting.
- Employment offers must be made by the employer utilizing the UCS service.
- Employers must ensure that all recruiting professionals are trained and understand how to professionally represent their employer.

Please contact the Director of UCS if you have any questions regarding these criteria.

Sections 3 through 8 below outline specific UCS employer services, the policies and procedures related to those services and any special requirements or restrictions that may apply.
SECTION 3: ON-CAMPUS RECRUITING (OCR) PROGRAM

ELIGIBILITY
On-Campus Recruiting (OCR) is a time, marketing and staff-intensive service offered by UCS. In order to participate in this program, employers and their related positions must meet the following criteria:

- Employers must adhere to all eligibility requirements listed in Section 2 in this document.
- Employers may only interview UNC-Chapel Hill students in UCS facilities.
- Employers using third-party recruiting organizations are allowed to use this service if the third-party recruiter conducts business under the employing organization’s name and recruits for only one position.
- Employers recruiting for full-time positions may use OCR if a college degree is a requirement for employment.
- Employers recruiting for commission-only positions are not allowed to participate in OCR.

EMPLOYMENT OFFERS/JOB ACCEPTANCE POLICY
UCS requires that you abide by the following policy in order to allow our students sufficient time to carefully consider their employment options and to make informed decisions.

- **Full-time Offers to Your Summer 2017 Interns**
  Students should be given at least 3 weeks or until September 15, 2017 to accept/decline offers. This will allow students time to review their upcoming OCR employment opportunities.

- **Full-time and Internship Offers from Fall 2017 and Spring 2018 On-Campus Recruiting**
  Students should be given a minimum three weeks to accept/decline offers extended as part of the OCR Program.

- **Employers must notify UCS immediately once a student has accepted an employment offer. This allows UCS to remove a student’s access to the On-Campus Recruiting program and suspend interviewing privileges.**

- If this policy is restrictive in light of your current business conditions, please contact the Director of UCS to discuss your organization’s needs BEFORE extending offers.

**PROGRAM OVERVIEW**

- OCR allows employers to connect with UNC-Chapel Hill students to interview on campus for vacancies within their organizations.
- UCS utilizes Handshake, an online career services management tool to coordinate all aspects of OCR.
- UCS maintains 11 interview rooms and a waiting area on the fourth floor of Hanes Hall and 1 small conference room on the second floor of Hanes Hall.
- **Interview Suite hours are 8:00 am – 7:00 pm Monday-Thursday and 8:00 am – 5:00 pm Friday.**
- Many employers schedule far in advance, so we encourage you to reserve recruiting dates as soon as possible so that we may accommodate you on your preferred date.
- Interview space is scheduled on a first-come, first-served basis.
- Most campus interviews are 30 minutes in length, although you may request other lengths of time.
- The typical interview schedule begins at 8:30 a.m., with breaks from 10:00-10:15, 11:45-1:00 and 3:00-3:15 p.m., and concludes at 4:45 p.m., thus allowing you to interview thirteen students per schedule.
- Additional breaks and changes to the day may be scheduled at your request.
- We offer you the choice between open or prescreening student sign-up schedules.
  - **Open Sign-Up** means that students who meet your qualifications sign-up on a first-come, first-served basis. We highly recommend that you use prescreening, since it usually generates a greater student response.
  - **Prescreening** allows you to review the resumes of students who have indicated an interest in your positions and total or partial preselection of students in advance of your campus interviews.

**STEP-BY-STEP INSTRUCTIONS FOR SCHEDULING PRESCREEN CAMPUS INTERVIEWS**

- Select the students you wish to interview.
- Indicate your interview selections in Handshake by the prescribed deadline.
  - We also recommend that you select several alternates, since some of the students whom you select may not actually sign-up for an interview with your organization.

  - An email will be automatically sent to students indicating that they have been selected to interview with your organization.
  - Students will select their interview times when the sign-up period begins in Handshake.
