

Our goals for this series are to

1. Encourage participation in our workshops and programs
2. Educate students on how to interact successfully with employers at a career fair
3. Engage with employers by providing visible evidence of student preparation (the lapel pin)

Earn a lapel pin that you can wear to the fair by doing one of the following:

1. **Check in and attend a minimum of three of the five workshops/programs** (in their entirety). Your attendance will be tracked through your UCS kiosk check in. Students following this option will also earn a certificate.
 - 3 workshops=Silver
 - 4 workshops=Gold
 - 5 or more workshops=Platinum
2. **Take a quiz.** Answer learning outcome questions through a survey. [Send an email](#) and the quiz will be sent to you (beginning 9/9 and due on 9/15 at 9:00p). Here are some ways to prepare:
 - a. Read articles (see the [link](#) – also accessible on the homepage of our website). Students may refer to readings to answer the questions.
 - b. Students may also meet with a counselor to discuss fair preparation

*Follow us on the UCS Instagram page (@uncucs)
Include the hashtag #uncpreparefortheair and repost a post or story!*

If you are following option 2, you must answer 6/8 questions correctly to receive the pin.

*Pins and certificates will be available beginning on
Monday, 9/16, at the front desk in UCS (2nd Floor, Hanes Hall)*

*Employers will be informed about your preparation and are looking forward to
engaging with you when they see your lapel pin!*
